Is there a hold room for her just in case one is needed? Also Jackie - what is our lunch situation?

Confirmed. Just an opportunity for her to say thank you with UCC workers. Nothing is public. The media avail space is open but we have discussed with security how to handle.

Hey Melissa-

Thanks for chatting a few minutes ago and for playing point person for everything in CO. I gave Matt a quick rundown of the schedule updates Shaun/Rebecca have been working on and he is fine with all of it. But he did want to clarify that the brief meeting at the end will only be with folks that have been working at UCC- and it is NOT a public meeting in anyway. Can you/Jackie please confirm and then any estimate of number of people will be great.
